Application for Test Review
800-281-7960 FAX: 231-796-4699
www.whitenergroup.com

Industry Resource Center Name: _____

Are you a current administrator of Whitener Group assessments? Yes _____ No _____

If yes, please provide your site code. _____ If no, a Testing Agreement must accompany this Application for Test Review.

Would you like to review these assessments online or would you prefer a hard copy of the assessment be shipped to you? Shipping charges will be incurred if a hard copy is requested.

_____ Online

_____ Hard Copy

It is the policy of The Whitener Group to only share the contents of our assessments for review purposes with authorized personnel. The review process is necessary for business and industry clients who wish to administer assessments for the purpose of training, pre-employment, promotion, etc. Due to security concerns, the steps below must be followed when requesting a review of an assessment. A completed application does not guarantee that a review will be approved. The Whitener Group reserves the right to refuse a review based on the details outlined by the requesting corporation/institution or for any other reason if deemed appropriate.

Any corporation or institution will be liable for the full development cost of a replacement assessment (up to \$100,000.00) if said instrument or individual test items/jobs are compromised through loss, unauthorized copying or permitting access by an unauthorized person(s). Should a breach of security occur, steps will be taken to determine the extent of damages as well as the steps needed to remedy the breach. This may include, but is not limited to, consultation with legal counsel, legal action, and full development cost as stated above.

The steps in the application for test review are outlined below:

Application Steps:

1. Use the assessment blueprints provided at www.whitenergroup.com to determine the titles to request for review.
2. Accurately complete an Application for Test Review and return to The Whitener Group. If you are a new client, a Testing Agreement must accompany the Application for Test Review.
3. Clearly outline the purpose of the review and any potential characteristics of the testing program.
4. List the name and title of each reviewer. Only those individuals named on the application are allowed to review the assessment(s).

Whitener Group Steps:

5. Upon receipt, the application will be reviewed by The Whitener Group. Additional correspondence may be necessary if further information is needed.
 6. Applicants will be notified of the status (approval or denial) of the application.
 - a. If the application is approved, the assessment materials will be emailed or shipped to the requestor using the address outlined below. The requesting corporation/institution is responsible for shipping costs for hard copy assessments (a credit card or purchase order number is required).
 - b. If the application is not approved, the requestor will be notified of the decision.
 7. Fifteen business days will be allowed for review beginning on the day the materials are received at the location. Materials for hard copy reviews must be shipped back to The Whitener Group by the 15th day after receipt. A penalty of \$50.00 per day will be charged for each day the materials are late being returned. If an assessment is reviewed online, the review page will be available for 15 days. On the 16th day the page will be removed. If more time is needed, please contact a Whitener Group representative.
